COPYRIGHT TRANSMITTAL STATEMENT

In consideration of SLACK Incorporated taking action in reviewing and editing this submitted manuscript, the author undersigned hereby transfers, assigns, or otherwise conveys copyright ownership of the text and any accompanying images (including video) to SLACK Incorporated if said work is published by SLACK Incorporated. The copyright conveyed includes worldwide rights to publish, reproduce, transmit, display, sell, distribute, store, and process copies of the article, in print and electronic media of any kind, by any method or device, in any and all subsidiary forms of publication now known or hereafter developed, in whole or in part or as a collective work, in all languages and in all media of expression now known or later developed, in derivative works throughout the world, and to license or permit others to do so; to license the content or metadata for inclusion in aggregated educational databases and large language models without restriction; and to advertise and promote the article, including without limitation in relation to social media.

The author declares that the material contains no libelous, defamatory, unlawful, abusive, obscene, or fraudulent statements; does not infringe on the rights (including without limitation the copyright, patent, or trademark rights) of others; and will not result in any breach of confidentiality, violate any contract or any law, or contain material or instructions that might cause harm or injury. There are no conflicts of interest relating to the material, except as disclosed.

The author declares that the manuscript is original, has not been submitted to or is not under consideration by another publication, and has not been previously published (except on a not-for-profit, subject-based preprint server).

☐ **FEDERAL GOVERNMENT EMPLOYMENT:** Check this box if the author was an employee of the United States Federal Government when this work was investigated and prepared for publication. Therefore, it is not protected by the Copyright Act, and there is no copyright of which the ownership can be transferred.

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. "Related" means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The author's relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.
